

## Swim Your Own Age Meet Report

The SYOA meet went extremely well this week end. We had three top six trophy winners this weekend. Our first swimmer was Jordyn Miller who was the 6<sup>th</sup> place overall point winner in the 7 year olds. Morgan Jones was our highest point winner with a third place finish in the 10 year olds and Issac the great from the county was 6<sup>th</sup> in the 14 year olds. This is a big accomplishment for this swimmers and a great reward for all there hard work and dedication. Also to be as equally proud and reward were all our other swimmers in this meet. We had many swimmers qualify for more winter championship meet events and swim best times. Many of those best times were significant drops.

Natalie Fournier, Anna Cangelosi, Margo Roberts and Morgan Jones were simply outstanding and amazing in the 10 year olds. Harry Roberts missed the winter champs cut time in the 50 back by 2 one hundredth of a second in only the second time swimming the event.

Alexis Coiley had a great week end with some big drops and 2 more WC cut times. Alexis Hafford had good meet with lots of drops in her times and her strokes looking so much better. Alexis is in a tough spot because see ages up to the 13-14 age groups just before winter champs.

Once again Stephen Comeau had another very successful meet. With a couple of event with big drops in times.

Sam Carlson swam the 50Free and is fine tuning for all the free and back stroke events at winter champs Haily fouiner also did a wonderful job at the meet and her breaststroke was beautiful Micheal Well did his first 100IM and did it all legal even though he told me he couldn't do it. Must have been some thing Susan and Cliff feed him in the morning. Cassidy Coiley continues to improve in times and strokes.

Abby Estey also did a wonderful job this week end she was right on her best times. She smashed her ankle on her turn on the first event the 100 fly, not only did she finish that race but also her last two events and was right on her best times. Many swimmers might have quit but she hung in there and did a great job.

Finally the lovely and talented Dominique Comeau did a great job this weekend. She swam high school Friday night and then came down to Portland and swam all weekend. She had drops in times or was right on her best times and did a fine job highlighting the meet program.

I think I have figured out the secret to our teams success of fast times.....AIR HEADS
